

Help!

I need somebody

Help!

Not just anybody

Help!

You know I need someone

Help!

When I was younger, so much younger than today

when, when I was young,

I never needed anybody's help in any way

I never ne-----ded help in any way

But now these days are gone I'm not so self-assured

Now, these days are gone

Now I find, I changed my mind

And now I find

And opened up the doors

Help me if you can I'm feeling down

And I do appreciate you being round

Help me get my feet back on the ground.

Won't you please, please help me!

And now my life has changed in oh so many ways,

Now, my life has changed

My independence seems to vanish in the haze

My indepen-dence seems to vanish in the haze

But every now and then I feel so insecure,

But, now and then

I know that I, just need you like,

I know that I

I've never done before

Help me if you can I'm feeling down

And I do appreciate you being round

Help me get my feet back on the ground.

Won't you please, please help me!

When I was younger, so much younger than today

I never needed anybody's help in any way

But now these days are gone I'm not so self-assured

Now, these days are gone

Now I find, I changed my mind

And now I find

And opened up the doors

Help me if you can I'm feeling down

And I do appreciate you being round

Help me get my feet back on the ground.

Won't you please, please help me!

Help me, Help me ooo!
