

When I Grow Up / Naughty

When I grow up (When I grow up, when I grow up)
I will be tall enough to reach the branches
That I need to reach to climb the trees you get to climb
When you're grown up

And when I grow up (When I grow up, when I grow up)
I will be smart enough to answer all the questions
That you need to know the answers to
Before you're grown up

And when I grow up I will eat sweets every day
On the way to work and I will go to bed late every night

And I will wake up when the sun comes up
And I will watch cartoons until my eyes go square
And I won't care 'cause I'll be all grown up
When I grow up ...

(Instrumental break - playground game actions)

Even if you're little you can do a lot
You mustn't let a little thing like "little" stop you
If you sit around and let them get on top
You won't change a thing

Just because you find that life's not fair
It doesn't mean that you just have to grin and bear it
If you always take it on the chin and wear it
You might as well be saying you think that it's okay
And that's not right!

And if it's not right
You have to put it right . .

But nobody else is gonna put it right for me
Nobody but me is gonna change my story
Sometimes you have to be a little bit –
