

## Shotgun

### *Verse 1*

Homegrown alligator, see you later - Gotta hit the road, gotta hit the road  
Something changed in the atmosphere - Architecture unfamiliar  
I could get used to this

### *Pre-chorus 1*

Time flies by in the yellow and green  
Stick around and you'll see what I mean  
There's a mountaintop that I'm dreaming of  
If you need me you know were I'll be

### *Chorus*

I'll be riding shotgun underneath the hot sun, feeling like a someone  
I'll be riding shotgun underneath the hot sun, feeling like a someone

### *Verse 2*

The south of the equator, navigator - Gotta hit the road, gotta hit the road  
Deep-sea diving 'round the clock, bikini bottoms, lager tops  
I could get used to this

Time flies by *etc...*

I'll be riding shotgun *etc...*

### *Bridge*

We got two in the front - Two in the back  
Sailing along and we don't look back, back, back (back, back, back, back)

### *Pre-chorus*

Time flies by in the yellow and green  
Stick around and you'll see what I mean  
There's a mountaintop that I'm dreaming of  
If you need me you know were I'll be

### Group 1 - then swap to group 2
